Dear Community Leader:

The Lake County After School Coalition invites you to become a member of an active coalition that stands together with one voice to advocate and support the development and continuation of effective after school programs throughout the Lake County area. We have identified you as a community leader and a potential member of this coalition.

Following are some of the benefits of being a member of the coalition:

- Opportunity for advocacy of quality programs and funding
- Access to clearinghouse for resources regarding existing innovative and research-based programs
- Ongoing communication via website, e-mail and general meetings
- Networking opportunities

The coalition has accomplished a great deal in 2010 and we hope to continue that in 2011. Enclosed is a membership form for 2011. Please complete the form and send it with the appropriate dues of \$25/individual or \$100/organization to the address shown on the form.

If you would like more information about this coalition, please visit our website at [www.lakecountyafterschoolcoalition.org](http://www.lakecountyafterschoolcoalition.org).
